Dr. Mirjam Staub-Bisang becomes Country Head of Blackrock Switzerland and Senior Adviser for Sustainable Investing Business

Independent Capital Group (ICG) congratulates Dr. Mirjam Staub-Bisang on her new challenge.

Dr. Mirjam Staub-Bisang founded ICG in 2005 together with her brother, Roman Staub, and H.S.D. Prince Michael von und zu Liechtenstein. She has significantly shaped the sustainable investing approach of the group. In summer 2018, Mirjam Staub-Bisang handed over the operational leadership of the firm in the course of a management buyout transaction involving senior management and new partners. The new CEO is Stephan Schelling. He counts over 30 years of experience in asset management and, prior to his appointment as CEO, was a partner and founding member of an asset management firm in Zurich.
